7. Internal Quality Assurance Cell (IQAC)

The IQAC plays a pivotal role in enhancing and maintaining the quality of education of an institute. Its role has become more important with the changing scenario in Indian higher education. Our IQAC was established on 15th July 2004 when the college went for first assessment and accreditation cycle by National Assessment and Accreditation Council (NAAC), Bangalore. Since quality enhancement is a continuous process, the IQAC becomes a part of the college system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution. For this, during the post-accreditation period, it has channelized all efforts and measures of the college towards promoting its holistic academic excellence.
