Parent Institute: MGV

Mahatma Gandhi Vidyamandir is a well-known leading Educational Institution in North Maharashtra. The Institution's prime and devotional motto is Bahujan Hitay, Bahujan Sukhay which means 'Welfare of the People, Wellbeing for the People'. Late Karmaveer Bahusaheb Hiray had a keen interest in education which promoted him to establish the well-known educational institution, The Mahatma Gandhi Vidyamandir, Nashik in 1952 in the name of 'The Father of Nation - Mahatma Gandhi', on the occasion of his birth anniversary. This educational institution has served for the integrated development of the poor and Adivasis, downtrodden, Bahujan and minority community. The inspiration, pioneering work and farsightedness of the founder laid down the foundation for the educational Banyan tree in Nashik district with its branches spread all over, even in tribal areas. Keeping the ancestral goal in mind, the new generations are expanding the educational trust from basic to professional education leading to the New Era of Globalization. The details of participatory management of parent institute are given by web link:

The details of CDC and actions taken are described in previous sections.

Internal Quality Assurance Cell (IQAC)

The IQAC plays a pivotal role in enhancing and maintaining the quality of education of an institute. Its role has become more important with the changing scenario in Indian higher education. Our IQAC was established on 15 July, 2004 when the college went for first assessment and accreditation by National Assessment and Accreditation Council, Bangalore (NAAC). Since quality enhancement is a continuous process, the IQAC becomes a part of the college system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institution. For this, during the post-accreditation period, it has channelized all efforts and measures of the college towards promoting its holistic academic excellence.

IQAC meetings and ATR IQAC meetings are regularly conducted during every academic year to plan, discuss and review the initiatives and strategies for quality education. The minutes of meetings are uploaded on college website. List of IQAC meetings conducted during last five years as follows.

Academic and Administrative Committees

IQAC framed thirty-five committees for smooth and efficient functioning of academic and administrative activities. All these committees are functioning in line with the policies and procedures designed by IQAC to achieve the desired plans, goal and the learning experiences. Each committee is headed by a chairperson who works with the assistance of the members from teaching and administration staff. The details of various academic and administrative committees are given:

Perspective Plan Deployment

The perspective plan for five years (2018-2023) is available on college website. It is effectively deployed and achieved to the maximum extent. Following are some of the methods used for deployment of perspective plan.

Academic and Administrative audit The Academic and Administrative Audit

(AAA) is a peer reviewed process implemented for the self-study by peers from inside and outside the college. This process reviews and encourages ensuring the quality of the standards in comparison with the previously set benchmarks. The processes work out by academic, administrative methods are discussed as below,

Academic Audit

The term 'Academic Audit' describes a methodical approach to evaluating educational programs quality of the college, with the goal of ensuring its high standards and enhancing the instructional delivery of programs. It is conducted periodically by a committee to measure the quality standards and improvements.

Administrative Audit

An in-depth assessment of the effectiveness and efficiency of an institution's administrative procedures is referred to as an administrative audit. The audit aims to create and evaluate the institutes' policies, strategies, operations, and functions.

New Programmes

B.Voc. through UGC-NSQF Scheme:

National Skills Qualifications Framework (NSQF) is a nationally integrated education and competency-based framework that enables persons to acquire desired competency levels. College has initiated new programmes in Retail Management (Degree programme) using the support from UGC-NSQF Scheme in 2018-19. In line with the decentralized and participatory management, the plan to avail NSQF scheme was discussed in the CDC meeting. Accordingly, DPR was prepared and submitted to the UGC after discussions among faculties. DPR was approved and sanctioned the grants for conducting the courses. B.Voc. programmes were started in 2018-19. The sanction and affiliation letters are given below.
